DATA SOURCE & NOTES

- Rows are Income Office Records, dated by their Entry Date (station calendar date); no Shift or Business Day. Customer Collections are not income and are left out.
- Taxable and GST are the split frozen when the Income was captured; GST is intra-state (CGST + SGST). Taxable income feeds GSTR-1 (B2CS) and GSTR-3B 3.1(a).
- Payer prints the record's description: Income has no payer field today.
- Type column, Direct / Indirect totals and the Type filter (marked *). (needs: Direct / Indirect flag on income heads, group B)
