DATA SOURCE & NOTES

- 3.1(a) is GST on Product Sales and Income and equals GSTR-1. Fuel VAT is filed separately under Kerala VAT; fuel enters 3B only as 3.1(e).
- ITC is the GST split on product Purchases, not yet reconciled with GSTR-2B (check 2B before filing). GST on expenses is not captured.
- Reverse charge, imports and ISD are not supported yet ("—"). 6.1 sets each head off against its own ITC; interest and late fee are not computed.
