DATA SOURCE & NOTES

- From the Drawer Reconciliation at Handover: expected = Opening Float + DU cash sales − Cash Drops; variance = declared − expected. Attendant level only — the office count variance at Shift close is excluded (see the Shift Cash Variance report).
- View-only: no shortage is posted to the ledger or recovered from an Attendant.
- Reason, approved by and recovered amount are future fields (not part of group B); they are left out of this report until they exist.
